Internship Program

The internship program in the **Office of the Inspector General** at the **Tennessee Valley Authority** offers students an opportunity to work with professional auditors in diverse subject areas. You will gain relevant work experience and a context for your classroom learning. The program is structured to meet any internship requirements included in university curricula.

Assignment

The Audits and Evaluations group performs a wide variety of engagements designed to promote positive change and provide assurance to TVA stakeholders. The group makes recommendations to enhance the effectiveness and efficiency of TVA programs and operations. The Audits team oversees comprehensive financial and performance audits that provide an inclusive picture of TVA's overall fiscal and operational health. This team is made up of four departments- Contract Audits, Corporate Governance and Finance Audits, IT Audits, and Operational Audits. The objectives of the Evaluations team include providing a source of factual and analytical information, monitoring compliance, measuring performance, assessing the efficiency and effectiveness of operations, and conducting inquiries into allegations of fraud, waste, abuse, and mismanagement. Interns will be assigned to the Evaluations team or one of the groups on the Audits team.
